

# Earth Day at

Parents — print this out and let your kids have fun on their next trip to the store!  
Together, you can learn how to make smarter food purchases to help the environment.

1. Find the Plastic Bag Recycle Bin.  
What do the instructions on the bin say about what can be recycled?

2. How many fresh organic fruits and vegetables are on display today at Giant Eagle?

---

---

---

3. Find at least one food that is organically grown for each category in the Food Guide Pyramid:

GRAINS

---

VEGETABLES

---

FRUITS

---

HEALTHY FATS

---

MILK

---

MEATS

---

4. In the next 5 minutes, how many foods can you find that have the USDA Organic seal? \_\_\_\_\_

5. Find at least one "green" or "environmentally safe" cleaning product. Why is it a good choice?

---

6. How many products can you find with the Fair Trade logo? What does Fair Trade mean?

---
